Steel T-Strap Shed Barn Door Gate Hinges

Product Introduction

The best selling Steel T-Strap Shed Barn Door Gate Hinges are made of premium heavy-duty iron, with a black or satin nickel coating on the surface, strong and durable, anti-corrosion and rust-proof, and have a long service life. Practical and economical heavy duty barn door hinges can be used in various places, very suitable for wooden doors, fences, shutters, cabinets, doors, sheds, vents and so on. Choose them and you will not be disappointed. The barn gate hinges help doors, cabinets and other items to run smoothly and reduce noise. The maximum rotation angle of the T-strap hinges can reach 270 degrees, which will make the opening and closing of your doors and cabinets faster and more convenient. The appearance of the T-strap shed door hinges are rustic and elegant, which can decorate your house well and is welcomed by many people. Your friends or family will make a good impression when they see your house for the first time. In addition, the simple and stylish design and precise holes ensure easy and fast installation.

Product Feature

If you are looking for a wide range of gate strap hinges and barn door hinges in cheapest price to complete your home restoration project, Zongyi Hardware will be your best choice. We offer a bulk selection of quality gate hinges and strap hinges to add a finishing touch, whether for a farm gate, fence gate, garden gate or any other architectural detail. Outside, you'll find strap hinges on gates. Inside, designers use smaller versions of them on cabinets to achieve a rustic feel. The long hinge leaves (or straps) add extra support for heavy gates or barn doors. Our easy-maintainable gate strap hinges and barn door hinges are in a variety of antique models and period style designs. With several sizes from which to choose, find authentic working hinges for gates guarding your walkway or to add an old-world touch to modern garage doors. We also offer smaller size hinges for chests and cabinets. Find finishes from rough hammered black steel to primitive rusty irons to weathered bronze. Please contact us for discount if you order large-scale quantity T-strap hinges.
